- ✓ Alarm system

A one off design by the current owner and built by us, this luxury 4 bedroom villa is on the edge of La Marina set in a great location with wonderful views.

What can I say about this property except wow, this truly is a stunning Villa with outstanding quality finish not only on the inside but on the outside too.

On entering the property you immediately get the wow factor with a great size hallway which has 4 beautiful bedrooms, one currently used as an office area, lovely bathroom all leading off from the light bright hallway.

You then entre a stunning lounge which has doors out to the terrace again beautifully designed, you lead into the kitchen and dining part of the Villa, for me the hub of a home, well this space you could spend all your time in, it..
