We are proud to present this former hotel, now a 5 Bedroom Townhouse, situated overlooking the town Plaza.

Entering the property, we come up to the first floor, which has a large entrance hall with built in storage cupboards, there are 4 double bedrooms, living and dining room with Juliet balcony, and kitchen. Also, there is a large central interior terrace, a great place to sit. To the back of this level, there is a small open area, with another building adjoining to the back. This is a very large room, and could be converted into more accommodation, it is close to the town square area outside at the back of the building, overlooked by the solid rock castle footings.
