Torre Vieja is situated on the Costa Blanca, approximately 45 minutes south of Alicante airport, about an hour and a half drive from Benidorm (113km)

The name Torre Vieja comes from the small tower that used to look down over the harbour.

It isn't a resort in the package holiday sense, there are only a few hotels and the area is much loved by the Spanish who flock here during the summer months for their holidays. The town is surrounded by excellent urbanisations, all with pools and beautiful gardens and the whole area enjoys fabulous beaches with fine sand and crystal clear waters.
