The property has five bedrooms and three bathrooms making a lovely family home. When you enter the property through the front door you are met with a beautiful staircase, on moving into the living room with its lovely tiled floor and eye catching fireplace, you then head into the dining room, again presented wonderfully. The kitchen is large bright and spacious with plenty of room for a kitchen table, off the kitchen is a laundry/utility room. There are five bedrooms, just like the rest of the house presented to a very high standard, There is a gym in the basement, this room could have many uses. Outside there is an L shaped swimming pool and a lovely terrace surrounding it, there is also a double garage, BBQ area and outdoor kitchen. This house has it all, in a perfect setting only three km outside of Yecla. It is surrounded by pine trees with amazing views.
